

I Drove All Night (Blue Star 2489) Tony Oxendine

OPENER

Four ladies chain across
You turn and chain your lady, send her right back home
Join your hands, gotta circle a while
Left allemande and you weave
I was dreaming while I drove
Swing with your girl
Promenade her around, your arms open wide
This fever for you was just burning me up
Inside...

FIGURE

Heads square thru to four hands round
You meet the sides make a right hand star
Heads star left a full turn around
The same two go right & left thru
Why don't you swing thru and then you're gonna swing thru again
Swing your corner; promenade your arms open wide
This fever for you is just burning me up
Inside...
