Buddy Weaver

“I’M FROM THE COUNTRY”

Opener, Close (Circle Left)

Way back in the country, back in the hills
Down in the holler where the folks are real
Left Allemande; Do Sa Do your own
And now the Men Star Left hand on around there you go
Turn Thru and then why do a Left Allemande
Come back and Promenade her walk round the land
Oh, that’s where I’m from and I’m proud to say
“I’m from the country and I like it that way”

Figure

Heads you Promenade her halfway around
Walk in Square Thru four hands around
Go all along and do a Right & Left Thru
Veer Left, Ferris Wheel around there you do
Square Thru three hands; corner you Swing
Swing my lady round and Promenade that ring
That’s where I’m from and I’m proud to say
“I’m from the country and I like it that way”
