"DANCE WITH ME TONIGHT"

Opener (Sides Face, Grand Square)

My name is (Andy), nice to meet you can I tell you baby
Looked around there's a whole lot of pretty ladies
But none like you
You shine so bright (Allemande and Weave)
I was wondering if you and me could spend a minute
On the floor, up and close, getting lost in it
I won't give up without
A fight

Figure

Heads Promenade take it halfway round
Lead Right – Circle Four Hands Round
Make two lines do the Right & Left Thru for me

Square Thru four hands you do
Swing the Corner Lady and you Promenade her
I knew right then that you'd be mine
And we'd be dancing the whole darn night

Middle and Close (Sides Face, Grand Square)

Ooh....
Come on baby
I just want you to dance with me
Tonight (Allemande Left and Weave the Ring)
Ooh....
Come on baby
