“MARRY YOU”

Opener, Break, Close (Circle Left)

It's a beautiful night
We're looking for something young to do
Boys Star by the Right once around today
Allemande Left and Weave the ring
Is it that look in your eyes?
Or is it that dancing moon?
Hey baby
I think I want to marry you

Figure (Heads Square Thru)

I'll go get a ring, let the church bells sing
Swing Thru two-by-two
Spin the Top that's what you wanna do - Recycle round
Reverse Flutterwheel and then
Half Sashay my friend – Box the Gnat
Slide Thru - Swing and Promenade
So what do you wanna do
Well, let's run away
