"LETS MARVIN GAYE"

Andy Allemao
678 Oaklawn Ave
Chula Vista, CA, 91910

Opener, Break, Close (Sides Face, Grand Square)
Lets Marvin Gaye and get it on
You've got the healing that I want
Just like they say in that old song, "until the dawn"
Lets Marvin Gaye and get it on (Allemande Left and Weave the Ring)
I'm begging mercy, mercy, please
You've got to give it up to me
Just like they say in that old song, "until the dawn"
Lets Marvin Gaye and get it on

Figure
Heads Pass Thru and Cloverleaf
Sides Left Square Thru Three
Touch a Quarter – Walk & Dodge and Partner Trade
Reverse the Flutterwheel
Square Thru Three Hands round the ring and then
Swing the girl around – Promenade the town
It's so subtle; I'm in trouble
But I'd love to be in trouble with you
