**"THE ROAD LESS TRAVELED"**

MIKE HOGAN  
8207 S 103<sup>rd</sup> Street  
La Vista, NE 68128

Opener (Sides Face, Grand Square)  
Don't bother anyone, march to the rhythm  
Of a different drum (oh, oh)  
Why do we analyze, break out and criticize  
The crazy ones (Allemande Left and Weave)  
If you trust your rebel heart, ride it into battle  
Don't be afraid, take the road less traveled  
Wear out your boots and kick up the gravel  
Don't be afraid, take the road less traveled on

Figure  
Heads Couples Promenade Halfway around then  
Walk in Square Thru (oh, oh)  
Four hands around and then Swing Thru tonight  
Boys Run Right – Couples Circulate  
Half Tag and then Scoot Back and go  
Swing your corner girl and Promenade her home  
Wear out your boots and kick up the gravel  
Don't be afraid, take the road less traveled on

Break and Close (Sides Face, Grand Square)  
Put your hands up, let me know you're one of a kind  
Oh, oh  
Put your hands up, let me hear your voice  
Tonight (Allemande Left and Weave)

If you trust your rebel heart, ride it into battle  
Don't be afraid, take the road less traveled  
Wear out your boots and kick up the gravel  
Don't be afraid, take the road less traveled on
