**“ANY DREAM WILL DO”**

Opener (Sides Face, Grand Square)

I close my eyes  
Drew back the curtain  
To see for certain  
What I thought I knew (Allemande Left and Weave)  
Far, far away  
Someone was weeping  
But the world was sleeping  
Any dream will do

Figure

Heads Square Thru from where you are  
And with the Sides make a Right Hand Star  
The Heads Star Left go one time round  
With your corner Touch a Quarter then  
Scoot Back and then  
Swing your corner – Promenade now  
And the world was sleeping  
Any dream will do

Break (Sides Face, Grand Square)

I wore my coat  
With golden lining  
Bright colors shining  
Wonderful and new (Allemande Left and Weave)  
And in the East  
The dawn was breaking  
And the world was waking  
Any dream will do

Close (Sides Face, Grand Square)

May I return  
To the beginning

The light is dimming  
And the dream is too (Allemande Left and Weave)  
The world and I  
We are still waiting  
Still hesitating  
Any dream will do
