“INDEPENDENCE DAY”

OPENER Circle left

Well she seemed alright by the dawn's early light
Though she looked a little worried and weak
Walk around your corner, see saw your own
Men star right you see
Find the corner girl and do a left allemande
Swing your own and promenade
I took myself down to the fair in town
On Independence Day

FIGURE

Heads square thru and count me four hands you go
Find the corner you know, touch 1/4
You walk & dodge, and partner trade
Pass thru and then wheel & deal
Double pass thru, track 2 you go
Swing your corner promenade
*When time ran out, there was no one about
On Independence Day

ALTERNATE LYRICS

*Talk about your revolution

MIDDLE BREAK - CLOSER Circle left

Let freedom ring, let the white dove sing
Let the men star right one time

Left allemande and weave
Let weak be strong
Let the right be wrong
Roll the stone away, let the guilty pay
It's Independence Day

TAG It's Independence Day
