"I BELIEVE IN MUSIC"

Opener, Break, Closer (Sides Face, Grand Square)

* Clap your hands, stomp your feet

Shake your tamborines

Raise your voices to the sky

Cause GOD loves to hear you sing (Allemande and Weave)

I ...

Believe in music

I ...

Believe in love

Figure

The Heads Square Thru and count em four hands around now

You make a Right Hand Star

Heads come Reverse the Flutterwheel you roam

Sweep a Quarter til you're home

The Sides Touch a Quarter; the Boy Run Right

Swing the corner girl and Promenade

I ...

Believe in love

* I could just sit around

Making music all day long

As long as I'm making music

I can do nobody no wrong
