"LOVES GONNA LIVE HERE"

Opener, Break, Closer (Circle Left)

* Oh, the suns gonna shine in my life once more
Cause loves gonna live here again
You'll do an Allemande Left that corner girl, Turn a Right hand round you own
Left Allemande and Weave the Ring
Loves gonna live here, loves gonna live here
Meet a little girl and Promenade
There'll be no more loneliness, only happiness
Loves gonna live here again

Figure

The Heads Square Thru in middle and get four hands around
Then you meet the Sides and make a Right Hand Star
And now those Heads Star Left inside, roll it once around
To the corner gal, Slide Thru and then make a line
Boy Walk and the Girl Dodge
Partner Trade and now the Boy Walk, corner lady Swing (Promenade)
There'll be no more loneliness, only happiness
Loves gonna live here again

* I hear birds a singing, I hear bells a ringing
** Getting over you got a little rough on me
