“TAKE IT TO THE LIMIT”

Opener (Sides Face, Grand Square)

All alone at the end of the evening
And the bright lights have faded to blue
I was thinking about a woman who loved me and I never knew
Allemande Left your corner – Weave you know
I've always been a dreamer
It's so hard to change
But the dreams I've seen lately
Keep on turning out, and burning out and turning out the same

Figure

Heads Promenade and travel Halfway
Walk in Square Thru and get me four
All the way go Right & Left Thru, turn your girl
Veer Left and Ferris Wheel
Square Thru Three Quarters round now
Swing your girl around and Promenade
But the dreams I've seen lately
Keep on coming back, and running back, and coming back for more

Breaks (Circle Left)

So put me on the highway
Show me a sign
Allemande Left your corner – come back Do Sa Do
Left Allemande and Weave the ring
Take it to the limit

Take it to the limit
Take it to the limit
One more time
