Opener, Break, Close (Circle Left)

\* Every night I sit here by my window

\* \* Staring at the lonely avenue

Walk Around that corner girl and then you See Saw your own

Left Allemande and Weave the ring

Thinking about things (a walk in the park), things (a kiss in the dark)

Things (like a sailboat ride), what about the night we cried

Things like a lover's vow, things that we don't do now

Thinking bout the things we used to do

Figure

Heads Square Thru four hands around the ring now

You meet that pair and then Swing Thru

Boy Run – Girls Trade – Ferris Wheel today

Zoom, yes, you do

In the middle Swing Thru and then Scoot Back my friend

Swing/whirl the pretty little girl – Promenade 'em round the world

Things like a lover's vow, things that we don't do now

Thinking bout the things we used to do

\* I still can hear the jukebox softly playing

\* \* A song about a love like we once knew
