Opener, Middle Break, Closer (Sides Face, Grand Square)

We took the legs from some old table

We took the arms from some old chair

And for a neck, we used a bottle

And from a horse we took some hair (here we go)

Allemande Left your corner girl; a Right & Left Grand around you go

Grand Right & Left around and when you meet you Promenade

I got more loving from that gosh, darn, dummy

Than I ever got from you

Figure

Heads you Promenade and travel halfway round

Come down the middle a Right & Left Thru and turn 'em round

You Rollaway and then Star Thru

Do Sa Do all the way, look her in the eye and Square Thru

Three Quarter round, Trade By and Swing

Swing that corner girl around and round and then

You Promenade that ring, throw your head right back and sing

"Because, just because"
