* Well, I was sitting at a square dance down on Highway 41
You were talking to the caller, before the tip was done
I knew you didn't see me but I want to be your girl
Left Allemande the corner then you Weave around the world
Of course, you weren't my corner, mine was missing his front tooth
So I flagged you down for a "Yellow Rock" (Swing and Promenade)
Maybe it's just better if we leave it this way
I'm in love with you baby, I don't even know your name

Figure

Heads you Square Thru and take it four hands round you go
All the way to the corner lady and you do a Do Sa Do
You Swing Thru and then Boy Run around this girl
You Bend the Line and do the Right & Left Thru and turn her there
Now Flutterwheel across and all Slide Thru
You Swing the girl around and Promenade her, yeah, you do
So maybe it's just better if we leave it this way
I'm in love with you baby, I don't even know your name

* So I tried to Load The Boat a little flirty as I could
I asked you for a date but then you ran into the woods
