* What are you doing here

You never wanted me before

Have you run out of fools

Or are you looking for one more (Circle)

Well, my love is stronger

Than the words (Left Allemande and Promenade)

Don't stop in my world

If you don't mean to stay

Figure

Heads Square Thru four hands around

Do Sa Do my corner girl

Touch a Quarter then Scoot Back

Boys Run and do the Right & Left Thru

Flutter wheel across; Reverse Flutter wheel

Take her hand and Promenade

Don't stop in my world

If you don't mean to stay

Alternate lyrics for break and close

* Don't stop in my world

If you don't mean to stay

Don't give me something

Then take it away (Circle)

To have then to lose you would be more (Left Allemande – Promenade)

* I've watched you spread your wings and fly to high
So many times
Always just out of reach but never
Quite out of my mind (Circle)
If you just need me now to get over (Left Allemande – Promenade)
