Opener (Circle Left)

Darling, I love you so and it's kind of hard to know
That you don't care what happens to me
Walk All Around your corner lady – See Saw your taw
Left Allemande and Weave around the ring
I wanted a true love that never would die
Do Sa Do and Promenade
Now the tears leave my eyes every time I realize
That you don't care what happens to me

Figure

Heads Promenade outside go Halfway
Walk into the middle and Square Thru, I say
Go all the way around do the Right & Left Thru you found
Veer over to the Left and Couples Circulate (Half Tag)
Scoot Back and then Scoot Back again
Swing and Promenade her home
Darling, I love you so and it's kind of hard to know
That you don't care what happens to me

Middle Break (Sides Face, Grand Square)

Darling, lets not pretend cause a love affair must end
Well, you don't care what happens to me
Now I know in my heart that I only played a part
Allemande Left your corner – Weave the ring
I'll try to forget and start my life anew

I'm know that you're glad to be free
Give me one goodbye kiss cause it can't go on like this
Oh, you don't care what happens to me
