PEACEFUL EASY FEELING

Originally Hi Hat 5029

Opener, Break, Closer (Circle Left)

* I like the way your sparkling earrings lay
Against your skin; so brown
Left Allemande – Do Sa Do your own
Allemande Left – Weave the Ring around
I've got a peaceful easy feeling
And know you won't bring me down
Cause I'm already standing
On the ground

Figure

Heads Lead to the Right – Circle to a Line
Right & Left Thru, lady lead
Dixie Style to a wave – Boy Trade and then
Boy Run Left – Bend the Line – Box the Gnat
Slide Thru – Pass Thru and Swing the corner girl
You Promenade around
I'm already standing
On the ground

* I found out a long time ago
What a woman can do to your soul
