### Opener (Sides Face, Grand Square)

Stars shining bright above you  
Night breezes seem to whisper "I love you"  
Birds singing in the sycamore trees  
Dream a little dream (Allemande Left and Weave the ring)  
Say "nighty, night" and kiss me  
Just hold me tight and tell me you'll miss me  
While I'm alone and blue as can be  
Dream a little dream of me

### Figure

Heads Promenade Halfway round  
Square Thru get me four  
Go all the way a Right & Left Thru  
Veer Left – Ferris Wheel once more  
Square Thru Three hands and Swing  
Swing with your corner - Promenade on around the ring  
But in your dreams whatever they be  
Dream a little dream of me

### Break, Close

Walk Around you Corner Girl – See Saw your Partner  
Join hands – Circle to the Left on around  
Gents Star Right, you turn it around  
Allemande Left and Weave the ring  
Sweet dreams til sunbeams find you  
Sweet dreams and leave all worries behind you

But in your dreams whatever they be  
Dream a little dream of me

Alternate figure (Sides Face, Grand Square)

Stars fading but I linger on dear  
Still craving your kiss  
I'm longing to linger til dawn dear  
Just saying this  
Four Ladies Chain you turn 'em around  
Roll Away – Swing a new girl – Promenade on around today  
But in your dreams whatever they be  
Dream a little dream of me
