"BACK TO GALVESTON"

Opener (Circle Left)
I've been thinking 'bout all those things we'd done
On those warm, summer nights back in Galveston
The Men Star Right on around tonight
Allemande and Weave the Ring
Someday I'm gonna come back
To Galveston
Someway I'm gonna win back
Your Heart

Figure
Heads Square Thru four hands from where you are
Meet the Sides – make a Right Hand Star
The Heads Star Left on the inside around you do
Touch a Quarter please
Scoot Back and then Scoot Back again
Swing my girl and Promenade my friend
Some summer night I'll be at
Your door

Break
Four Ladies Chain across that ring
Half Sashay and Circle Left go round
You Rollaway and you Circle tonight
Allemande Left and Weave the Ring
Someday I'm gonna come back
To Galveston
Someway I'm gonna win back
Your Heart
