"BOSTON

Opener (Ladies Chain Across and Back)
On a train back to Boston and we're jumpin' the gun
And I'm telling you, "baby, this is the part where I'd run"
Join up hands Circle to the Left you go round now
Left Allemande gonna Weave that Ring
I don't know where it's going but don't want to go back
Swing and Promenade at the thought of that
But I like it when you're nice, like when you're nice
To me

Figure
Heads Square Thru and go four hands round
Do a Do Sa Do that corner one time around
Make and ocean wave – Girls Trade – Swing Thru tonight
Boy Run Right and Ferris Wheel
Centers Pass Thru – Star Thru – Reverse Fluttterwheel
Take her hand and Promenade
I hate to admit it but I guess I'm not …
Better alone

Break (Circle Left)
On a train back to Boston and we're jumpin' the gun
And I'm telling you, "baby, this is the part where I'd run"
Men Star Right roll it around
Left Allemande gonna Weave that Ring
I don't know where it's going but don't want to go back
And usually I'd leave right at the thought of that
But I like it when you're nice, like when you're nice
To me

Close (Sides Face, Grand Square)
On a train back to Boston and we're jumpin' the gun
And I'm telling you, "baby, this is the part where I'd run"
But I like it when you're nice, like when you're nice
To me (Do an Allemande Left and Weave the Ring)
I don't know where it's going but don't want to go back
And usually I'd leave right at the thought of that
But I like it when you're nice, like when you're nice
To me
