Four Ladies Promenade inside around the ring
Back home and Swing your man – everybody Swing
All join hands, Circle Left go walkin’, talkin’ round
Allemande that corner girl – Weave the ring around

Just think of all the fun you had putting it there
In that old book of time, you’ve never skipped a page
Don’t be ashamed of your age

The Square L/Blue Star story

This piece of music was originally recorded in the early sixties using musicians from Texas lead by the famous Johnny Gimble. It was released on Square L Records special red vinyl by producer, Melton Luttrell. In 2019, the original studio tapes were digitally re-mastered by Buddy Weaver who also re-mixed and added percussion for a brand-new sound. This is a collaborative product of Square L and Blue Star.
