L O V E

Opener, Break, Closer (Sides Face, Grand Square)

"L" is for the way you look at me

"O" is for the only one I see

"V" is very, very extra ordinary

"E" is even more – Allemande Left and you Weave the ring now

Love is all that I can give to you

Swing your girl and Promenade her too

Two in love can make it; take my heart but just don't break it

Love was made for me and you

Figure

Heads gonna Promenade halfway round

Walk in Square Thru Four you know

All the way and do the Right & Left Thru

And then you Veer Left and Ferris Wheel

Square Thru Three hands round you fly

Swing your girl and Promenade you know

Two in love can make it; take my heart but just don't break it

Love was made for me and you
