What you do to me
Feels so heavenly
Left Allemande you know come home a Dosado
Do an Allemande Left on the corner – Weave around the Ring
What you do, what you do to me
Swing that girl and Promenade
If I could do to you, oh honey
What you do to me

Round the corner do a Do Sa Do
Swing Thru tonight, let the Boy Run Right
Do a Half Tag – Scoot Back one time tonight
Boy Run around the girl and then Slide Thru
Swing that corner girl, gonna Promenade her too
If I could do to you, oh honey
What you do to me
