* I've got everything to gain and nothing to lose

* * It's a good day from morning to night

* Let a smile be your umbrella

* * On a rainy, rainy day

* Just direct your feet

* * To the sunny side of the street

* Let us sing a song of cheer again

* * Happy days are here again

You Rollaway and Circle Left
Lady Rollaway – Circle awhile
Allemande Left and Weave around in style
Keep in mind those clouds are silve lined
Those gloomy clouds of grey
Let love light the sky up, tell all the clouds to dry
And smile away each rainy day
