## SUGAR BLUES

Originally Blue Star 2288

## Opener, Middle Break, Closer

Walk all around the corner; See Saw
You join hands, Circle round that ring
Well the Boys Star Right, around the ring tonight
Left Allemande your corner girl, you Weave around the ring
Come on and move it, come on and go
Why don't you Swing and whirl; Promenade
Say what you choose, I'm so confused
I got the Sugar Blues

## <u>Figure</u>

The Heads Square Thru, oh, from where you are
And meet the Sides make a Right Hand Star
Heads Star Left inside the ring, one time around
You Touch a Quarter then you Scoot Back and now
Why don't you Scoot Back again, why don't you Swing that girl...
Around, Promenade her too
Say what you choose, I'm so confused
I got the Sugar Blues
