Opener, Break, Close (Circle Left)

You shouldn't kiss me this unless you mean it like that
Oh, I just close my eyes; I don't know where I'm at
Boys Star Right, roll it around
Allemande Left and Weave around the ring
They're all watching us now, they think we're falling love
They'd never believe we're just friends
If you kiss me like this, I think you mean it like that
If you do, baby, kiss me again

Figure

Four Ladies Chain across
Heads Rollaway go forward and back
Star Thru – Do Sa Do now
Make a wave, Girls Trade, Swing Thru and then
Turn Thru, do a Left Allemande
Come back one – Promenade away
There's a different feel about you tonight
It's got me thinking lots of crazy things
