Opener, Break, Close (Circle Left)

I hear that Southland calling me

I've been away too long

Left Allemande the corner girl – A Do Sa Do your own

Now the Boys Star Left; you can't go wrong

Come on back and Turn her by the Right Arm, go

Allemande Left, come back and Promenade her home

That slow, southern drawl; down where they say "y'all"

I hear that Southland calling me

Figure

Head Square Thru and around I say

Do Sa Do that corner – make that ocean wave

Girls Trade – Swing Thru and then Spin the Top

2 – 3 – 4- Pass Thru – Partner Trade

Reverse Flutterwheel around

You take her by the hand and Promenade that lady round

That slow, southern drawl; down where they say "y'all"

I hear that Southland calling me
