## OLD CHUNK OF COAL

Originally Blue Star 2136

### Opener, Break, Close

Four Ladies Chain across that ring  
You're gonna turn and Chain those ladies home I sing  
Well, Join your hands and Circle to the Left gonna move round now  
Do an Allemande Left the corner of the hall and Weave that ring  
Well, I'm just an old chunk of coal  
Swing that girl and Promenade  
I'm just an old chunk of coal, baby  
But I'm gonna be a diamond someday

### Figure

The Head two couples Square Thru go four  
You're gonna get to the corner do the Right & Left Thru  
Swing Thru tonight, hey, let the Boy Run Right  
Girls Trade - Ferris Wheel in the middle of the ring  
You Pass Thru and Swing Thru and then  
Swing that corner girl go round and Promenade  
I'm just an old chunk of coal, baby  
But I'm gonna be a diamond someday
