### Opener (Sides Face, Grand Square)

From the corners of the country  
From the cities and the farms  
With years and years of living tucked up  
Underneath their arms (Allemande and Weave)  
They walked away from everything  
Just to see a dream come true  
So GOD bless the boys who make the noise  
On Sixteenth Avenue

### Figure

Heads Square Thru  
Do Sa Do that one  
Swing Thru and then Boy Run Right  
Couples Circulate and a Ferris Wheel  
Double Pass Thru and the Leaders Trade  
Swing and Promenade  
So GOD bless the boys who make the noise  
On Sixteenth Avenue

### Break (Sides Face, Grand Square)

(Music plays for 32 beats)  
Four Ladies Promenade one time around  
Swing and Promenade  
So GOD bless the boys who make the noise  
On Sixteenth Avenue

### Close (Sides Face, Grand Square)

Now some were born to money  
Never had to say "survive"  
And others swing a nine-pound hammer  
Just to stay alive (Allemande and Weave)  
They're cowboys, drunks, and Christians  
Mostly white and black and blue  
They all dialed a phone collect to home  
On Sixteenth Avenue
