I LOVE YOU MOST OF ALL

Originally Blue Star 2104

Opener (Circle Left)

You always hurt the one you love
The one you shouldn't hurt at all
Men Star Right one time tonight
Allemande Left the corner - Weave the ring
You always break the kindest heart
With a hasty word you can't recall
So, if I broke your heart last night
It's because I love you most of all

Figure

Heads Promenade outside go Halfway around
Down the middle and do the Right & Left Thru
Flutterwheel and then Sweep a Quarter more
Pass Thru and do a Right & Left Thru
Veer Left – Ferris Wheel – Pass Thru and Swing
Swing and Promenade her home
So, if I broke your heart last night
It's because I love you most of all

Break, Close

Four Ladies Promenade go once inside the ring
Come on back, Swing your partner round
Join hands, make a big ring, Circle to the Left and go
Allemande Left the corner - Weave the ring
You always break the kindest heart
With a hasty word you can't recall
So, if I broke your heart last night
