"YESTERDAY'S SONGS"

Originally Blue Ribbon 254

Opener, Break, Close (Circle to the Left)

Yesterday's songs don't star around long

Not much anymore

Left Allemande your corner – Do Sa Do with your own

Left Allemande – gonna Weave round the floor

Baby, yesterday's blues may be yesterday's new

Swing and all Promenade

But the good things will never change

Like saying "I love you"

Figure

Heads Promenade travel Halfway and then

Pass the Ocean – Extend

Swing Thru two-by-two – Spin the Top there you do

Then a Right & Left Thru

Flutterwheel around – Sweep a Quarter more

Swing and Promenade round the ring

The good things will never change

Like saying "I love you"

Alternate lyrics (Circle to the Left)

Yesterday's song don't seem to belong

They're here and they're gone

Left Allemande your corner – Do Sa Do with your own

Left Allemande – gonna Weave round the floor

Maybe yesterday's rhyme was for yesterday's time

Swing and all Promenade
