Opener, Break, Closer (Sides Face, Grand Square)

- Darling if you ever leave me
- Well, I'll just put my heart away
- I couldn't love again, believe me
- No one could please me anyway (Allemande Left and Weave)

And if another came along 'd just turn the down  
Cause after all, baby  
I've been loved by the best, won't settle now for less  
Why bother with the rest

### Figure

Heads you Promenade go halfway  
Walk you Pass the Ocean now - Extend  
Swing Thru and then Boy Run Right  
Bend the Line do a Right & Left Thru  
Flutter Wheel around and then Slide Thru  
Swing that corner, Promenade baby  
I've been loved by the best, won't settle now for less  
Why bother with the rest

- When I look into your eyes I know
  - You're the only one I'll ever want
  - Cause after you and me, I can see ...
  - There's nothing else to even close
