Opener, Break, Close (Sides Face, Grand Square)

I fall to

Pieces

Each time I see you

Again (Allemande and Weave)

I fall to

Pieces

How can I be

Just your friend

Figure

Heads Square Thru four hands

Then a Right & Left Thru

Veer Left and Ferris Wheel

Centers Pass Thru – Touch a Quarter

Scoot Back then Scoot Back again

Swing and Promenade

You walk by and I

Fall to pieces

Alternate lyrics (Sides Face, Grand Square)

I fall to

Pieces

Each time someone

Speaks your name (Allemande and Weave)

I fall to

Pieces

Time only adds
To the flame
