“WE SHOULD BE TOGETHER”

Originally D&R Records 162

Opener, Break, Close (Circle Left)

* I think about you when I don't want to
I dream about your smiling face
Boys Star Right hand around the ring and then
Left Allemande and Weave Around The Ring
We should be together, together
We should be walking side-by-side
We should be together, together
Keeping each other satisfied

Figure

Heads Couples Square Thru, four hands around you do
Do Sa Do and make that ocean wave
Girls Trade – Swing Thru and then the Boy Run Right
Ferris Wheel round the ring today
Centers Pass Thru – Star Thru – Reverse Flutterwheel
Promenade go walking side-by-side
We should be together, together
Keeping each other satisfied

Alternate lyrics

* I have thought to come to know you
And come to need your company
