You make a Right Hand Star  
Heads Star Left roll it one time and then

Square Thru and go Three-Quarter round  
Swing and all Promenade  
So with a kiss and a hug and whole lot of love  
Send 'em off in a letter to you

### Close (Sides Face, Grand Square)

I want you to know that I took a rainbow  
Sent it off in a letter to you  
Took some flowers from the spring and made a sweet clover ring  
Sent it off in a letter to ... (Allemande and Weave)  
Took a song from the lark, the moon from the dark  
The spark from the sparklin' dew  
So with a kiss and hug and whole lot of love  
Sent 'em off in a letter to you
