## “THANKSGIVING SONG”

Originally Dance Ranch 601

### Opener (Circle Left)

Don't you love the smell of turkey while its roasting  
Ever had a piece of homemade pumpkin pie?  
Left Allemande your corner - Do Sa Do your own  
Allemande Left and Weave around the ring  
Don't you love it when the family gets together  
Give everyone a hug and don't be shy  
Thanksgiving is more than just a season  
Lets give thanks for everyday that passes by

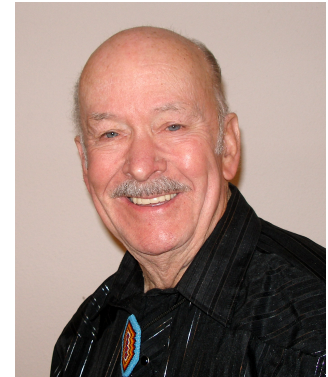

### Figure

Heads Promenade you'll travel Halfway  
Walk into the middle Square Thru go four  
All the way and then Circle Four Halfway  
Veer Left and Couples Circulate  
Do a Half Tag and then you're gonna Scoot Back  
Swing the corner girl and Promenade I cry  
\* Look at all the friends that gather round you  
And be thankful for each day that passes by

\* We're so lucky for the times we have together  
Just be thankful for each day that passes by

### Break (Circle Left)

Theres so many reasons that we should be thankful  
Have another drumstick; don't be shy  
Left Allemande your corner - Do Sa Do your own  
Allemande Left and Weave around the ring  
Tell your family just how much you love them  
Tell them with a twinkle in your eye
