Opener (Sides Face, Grand Square)

Well, I'm back again
For another night
Of trying to break free from this sadness that I cannot ...
Lay to rest (Allemande Left and Weave the Ring)
Turn it on, turn it up, turn me loose from the memory
That's driving me lonely, crazy, and blue
It helps me forget her so the louder the better
Hey mister, turn it on, turn it up, turn me loose

Figure

Head Square Thru
Then do a Do Sa Do
Swing Thru and then Boys Run Right
And Ferris Wheel
You Pass Thru - Touch a Quarter - Scoot Back and then
Swing that corner girl and Promenade, my friend
It helps me forget her so the louder the better
Hey mister, turn it on, turn it up, turn me loose

Break lyrics

This old honky tonk
Sure feels like home
And the music and the laughter seem to soothe ..
My loneliness (Allemande Left and Weave the Ring)

If a tear should fall
If I should whisper her name
To some stranger that I'm holding while we're dancing ...
To an old Buck Owens song (Allemande Left and Weave the Ring)
