Opener (Circle Left)

My hat don't hand on the same nail too long
And I can't stand to hear the same old song
Left Allemande come back and Do Sa Do round your own
Do an Allemande Left and Weave around the Ring
Oh, I got ramblin' fever
Swing and Promenade her right on home
Ramblin' fever
I've had ramblin' fever all along

Figure

Heads Square Thru in the middle and get four hands around
Meet the Sides - do a Right & Left Thru
Swing Thru two-by-two, Boy Run to the Right
Half Tag and Scoot Back you'll do
Boy Run Right - Square Thru and count 'em Three
Swing and Promenade her round you see
And I don't leave the highway long enough, to bog down in the mud
I got the fever in my soul

Break and Close

Four Ladies Promenade once inside the ring
Get on back and Swing your man, around and round
Join hands, Circle Left go walkin' round the set
Allemande Left and Weave around the Ring
Oh, I got ramblin' fever
Swing and Promenade her right on home
Ramblin' fever
I've had ramblin' fever all along
