### Opener (Circle Left)

If I could taste your kiss there'd be no  
Sweeter gift, Heaven could offer  
Boys Star by the Right on around tonight  
Allemande Left and now Weave around the Ring  
I'd climb right up to the sky  
Take down the stars just to be in your arms, baby  
I'd go and capture the moon  
Just to hear you say you love me

### Figure

Heads Square Thru from where you are  
And make a Right-Hand Star  
Heads Star Left on around we go  
And do a Do Sa Do  
Touch a Quarter then Scoot Back I sing  
Swing with this girl, you Promenade round the ring, baby  
I'd go and capture the moon  
Just to hear you say you love me

### Break and Close (Sides Face, Grand Square)

For the rest of your life  
Love me for the rest of all time  
Just say the word and I'll give you my world  
Left Allemande - Weave around the Ring  
I'd climb right up to the sky  
Take down the stars just to be in your arms, baby  
I'd go and capture the moon  
Just to hear you say you love me
