### Opener (Sides Face, Grand Square)

Look at me, I'm as helpless as a kitten up a tree

I feel like I'm clinging to a cloud

I can't understand I get misty

Just holding your hand (Allemande Left and Weave)

Walk my way and thousand violins begin to play

(Promenade) or it might be the sound of your hello

The music I hear, I get misty

The moment you're near

### Figure

Heads Square Thru count 'em four hands you go

Meet the corner lady do a Do Sa Do

Swing Thru and then Boy Run

Ferris Wheel into the middle and go (Centers Pass Thru)

Touch a Quarter - Scoot Back and then

Swing that corner - Promenade again

I can't understand, I get misty

Just holding your hand

### Alternate lyrics for break and close

Walk my way and a thousand violins begin

To play or it maybe the sound of your hello

That music I hear, I get misty

The moment you're near

On my own, would I wonder through this wonderland

alone, never knowing my right foot from my left

Well, I can't understand I get misty

Just holding your hand
