Circle Left

It's summertime
And the living is easy
Left allemande the corner girl...turn partner right
And then allemande left, come on and weave
Your daddy's rich
And your mama's good lookin'
Hush little baby
Don't you cry

FIGURE

Heads square thru.....
All the way to the corner, swing thru
Girls circulate and boys trade
Boys run right and bend the line, then right and left thru
And turn that girl and now star thru
You pass thru, swing your corner, promenade now
Said, hush little baby
Don't you cry

TAG Hush little baby, don't you cry
