## “COWBOYS SWEETHEART”

by Deborah Carroll-Jones

Originally Blue Star 2471

### OPENER (Circle to the left)

I want to be a cowboy's sweetheart  
I want to learn to rope and ride  
Men star by the right and giddy-up, giddy up, go  
Do an allemande left and weave the ring  
I want to hear the coyotes howling  
Swing your girl and promenade  
I want to be a cowboy's sweetheart  
That's the life I love the best

### FIGURE

Well now the heads wrong way promenade halfway around  
Walk in and do a left square thru  
Banjo (piano) playing here for you, when you meet the outside two  
Left swing thru - girls run left  
Ferris wheel - centers wheel around  
Swing that corner, promenade  
I gonna strum my guitar and yodel-o-ee-di  
Oh that's the life that I love

### MIDDLE BREAK

Four ladies promenade one time around in the middle of the ring  
Get back home and jump on him and spur him and ride him  
Join hands and circle south (oh honey hush my mouth)  
Do an allemande left and weave the ring  
I want to hear those coyote a-howl-iiii-ing  
Allemande left your corner, promenade  
I want to be a cowboy's sweetheart  
I that's the life that I love the best

TAG Yeah, that's the life I love the best. Yeah haw
