“PEG OF MY HEART”

Originally Blue Star 2493

Called by
MIKE SEASTROM

OPENER - MIDDLE BREAK - CLOSER

Four ladies chain 3/4 round the ring
You rollaway, you circle left I sing
I always knew, it would be you
Left allemande the corner lady - Weave the ring, I don't mean maybe
Peg o' my heart, I love you
We'll never part, You swing and promenade her too
Come be my own, come make your home
In my heart

FIGURE

Heads promenade that ring 3/4 round you go
Side couples, do the right & left thru, turn the girl you know
Sides pass thru, all touch 1/4 there
Scoot back and then the boy you go - Boys run right around the girl you know
Pass the ocean there, girls trade, girls circulate
Swing that man just waiting there, you promenade your date
Come be my own, come make your home
In my heart
