“WINK AND A SMILE”

Originally Blue Star 2505

Called by
MIKE SIKORSKY

OPENER

Circle left

I remember the days of just keeping time
Hanging around in sleepy towns
Men star right now, go one time round
Allemande left and weave round the ring
You can't have a dream and cut it to fit
When I saw you I knew
We go together like a wink and a smile

FIGURE

Heads promenade 3/4 go round
Sides go right & left thru
Sides flutterwheel round you do
Pass thru, eight chain four
You touch a quarter, scoot back, swing
Swing your lady round, promenade the ring
We go together like a wink and a smile

MIDDLE BREAK – CLOSER Sides face, grand square

Leave your old jalopy by the railroad track
We'll get a hip double-dip top-toppy
Two-seat pontiac
Allemande and weave
So you rattle on, don't go slow
Swing your lady round, promenade back home
We go together like a wink and a smile

ALTERNATE LYRICS

Sides face, grand square

Now my heart is music, such a simple song
Sing it again, the notes never end

This is where I belong
Allemande and weave
The sound of your voice, the light in your eyes
Swing and then promenade your guy
We go together like a wink and a smile
