“START OF SOMETHING BIG”

Originally Blue Star 2513

Called by
JOE SALTEL

OPENER, BREAK, CLOSER

Circle left

You're walking along the street, or you're at a party
Or else you're alone and then you suddenly dig
Left allemande you go, box the gnat at home
Four ladies promenade the ring so big
Turn your partner by the right a full turn round my friend
Left allemande come back and promenade
You're lookin' in someone's eyes, you suddenly realize
This could be the start of something big

FIGURE

The heads you promenade and travel halfway
The sides square thru 4 hands in time
Go to the outside 2, and go right & left thru
Do an eight chain six on down the line
*There's no controlling the unrolling of your fate, my friend
Swing that corner and all promenade
**But when a lover you discover at the gate, my friend
Invite her in without a second look

ALTERNATE LYRICS

*Your destined lover you'll discover in a fright'ning flash
**Because the meeting may be fleeting as a light'ning flash
And you don't want to let it slip away

MIDDLE BREAK Circle left

You're up in an aeroplane or dining at Sardi's
Or lying at Malibu, alone on the sand
Left allemande you go, box the gnat at home

Four ladies promenade the ring so big
Turn your partner by the right a full turn round my friend
Left allemande come back and promenade
You suddenly hear a bell and right away you can tell
That this could be the start of something grand

ENDING Circle left

You're watching the sun come up or counting your money
Or else in a dim cafe, you're ordering wine
Left allemande you go, box the gnat at home
Four ladies promenade the ring so big
Turn your partner by the right a full turn round my friend
Left allemande come back and promenade
Then suddenly there she is, you want to be where she is
This could be the start of something fine

TAG

This could be the start of something big
