“BLUE BLUE DAY”

Originally Blue Star 2501

In Memory Of
MARSHALL FLIPPO

OPENER - MIDDLE BREAK – CLOSER (Circle left)

It's been a blue, blue day, I feel like running away
I feel like running away from it all
You'll do left allemande, turn your partner right
Left allemande and weave the hall
I feel like crying, sighing, what can I do?
Take that lady by the hand, promenade her, too
It's been a blue, blue day, I feel like running away
I feel like running away from the blues

FIGURE

And now the heads promenade halfway round now with that date
Come down the middle and do right & left thru
And now you square thru four, go walking round that floor
And with the outside two go right & left thru
Why don't you rollaway, pass thru, do a U-turn back
Swing that corner lady there then promenade the track
It's been a blue, blue day, I feel like running away
I feel like running away from it all

First released in January 2005, “Blue Blue Day” BS 2501 was the 1,000th record release for Blue Star Records. The first and only time any square dance record company achieved one thousand releases. Recording artist, Marshall Flippo was asked to record this milestone singing call because of his long, illustrious career with Blue Star Records.
